RFQ Title

AF SBIR STTR SaaS Solution & Support

Description:

On behalf of the Air Force SBIR/STTR Program Office, GSA is contracting for a Software as a Service (SaaS) solution to support the core mission of the program office through all aspects of technology commercialization and proposal management, data collection, and reporting. The AF SBIR/STTR program requires an end-to-end tool which automates the capabilities of the program.

This procurement is open to both large and small businesses. The Government intends to utilize the best value tradeoff pr...
